### MONEY:

We do 85% of the door to the bands 15% of the door to the house (the "house" is Slim's) from "Dollar-One". What "Dollar-One" means is we pay for our sound guy and our door guy - it will not come out of the door proceeds. That 15% house money goes towards admission tax, supplies, and upkeep of microphones, stands, cords etc.

Ticket prices vary but unless otherwise decided will be \$10.00.

Of the 85% to the bands – door money is paid in cash at end of the night, it's up to you to figure out how that's going to be distributed amongst the bands on the bill, especially if you set up the bill amongst yourself. In many cases, bands just split it up evenly, but every show is different. We highly recommend that if you're worried about the door-split among the bands, you sort it out well before the day of the show.

#### OTHER STUFF:

- Hospitality: 2 drink tickets per band member (Fill-in/Change to: "One meal per member" in the case of touring bands)
- 1 guest per band member – Remember, we keep our ticket prices low and you get paid from the door.

#### MEDIA & PROMOTIONS:

Slim's is run by a tight crew of folks doing a lot of stuff to keep the place running. It's super-duper important that everyone involved in your show is working together, as a team, to be sure we make it the best night possible. We need you to find the time and attention to ensure folks know about your show and are getting down to Slim's to be a part of it.

#### **Slim's is going to:**

- Make sure your show is on our website and calendars.
- Include your show in our local media, event listings outreach.
- Create a Facebook invite for your show.
- If you create some killer art for posters/flyers – we'll post that to our social networks. If you print posters up and bring them down, we'll post them around the club, too!
- If you want Slim's to produce some killer art and print posters/flyers – reach out to us about it and we'll see about making something happen. Poster art and printing all costs money, though, so keep it in mind.
- If you want a poster/flyering campaign (IE: posters up and around Seattle) – reach out to us about it and we can talk to some of the local flyering services and see what we can make

happen. Distributing posters up and around also costs money, so keep it in mind.

**Slim's very much hopes that you:**

- Remember that Slim's is a "destination" place. Here in the industrial outskirts of Seattle, people aren't just milling around looking for live-music action. We all have to make sure people know to get on down here. Good news – there's pretty much always parking!
- Get your show posted on any and all of your digital networks – Facebook, Instagram, your Website, etc.
- Put together artwork for your show. That's always awesome. Also, share it with us.
- Have a short bio available upon request for sharing with folks that are interested in the show. If you need an example, we provided our short bio in our info above.
- Don't have another show, in Seattle, within 4 weeks of your Slim's show.
- EXTRA CREDIT POINTS for every member of every band that comes down to Slim's and spends some time down here getting to know the place and just hanging out. Bands build themselves up with devoted friends and fans – the best way to have that is to BE that.
